

PARENTS AND TEACHERS

Equation Builder is a mathematics based game that teaches students to create simple to advanced equations.

EDUCATIONAL INSTRUMENT

Uses primary and secondary colors, numbers, basic mathematic terminology; addition, subtraction, multiplication, division and variables.

Introduces basic numerical terms in various languages.

THE GAME GROWS AS THE STUDENT ADVANCES.

Can be used for instruction of Pre K to 8th grade: from simple flash cards to creating Algebraic equations.

FUN TO PLAY

1 to 6 player competitive game.

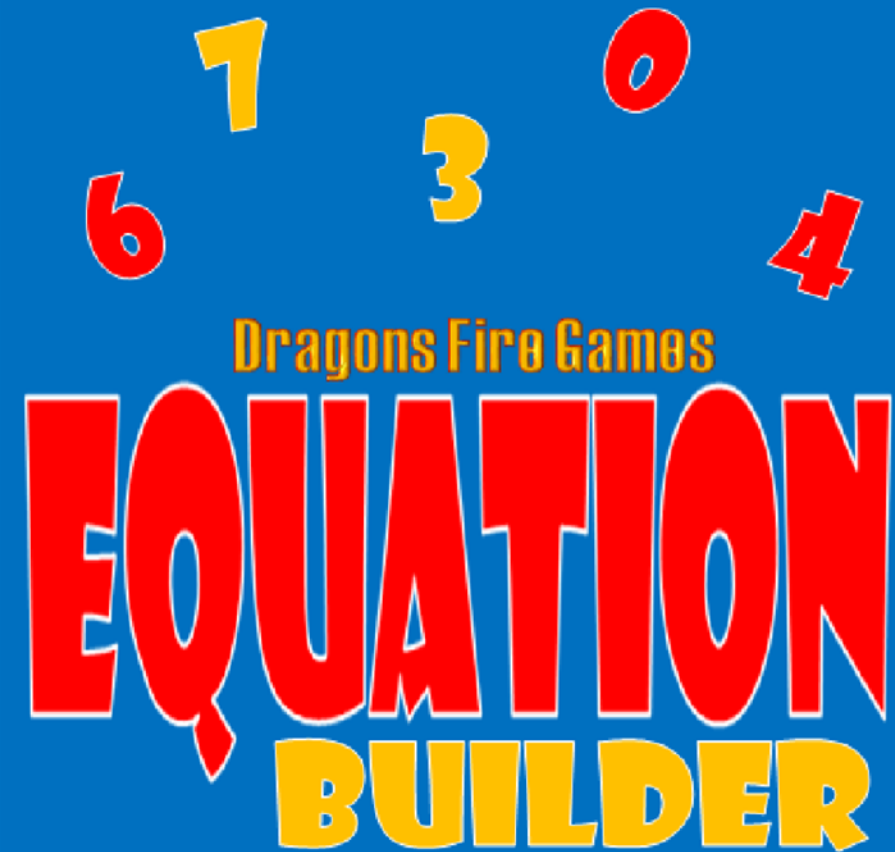

Multi-level game play with countless variations.

KICKSTARTER

Kickstarter is a crowd funding platform we will be utilizing for the production of **Equation Builder**. Pledges to **Kickstarter** will be used to pay for design, production and shipment of **Equation Builder**. Backer levels have different reward packages ranging from a simple thank you for helping to multiple copies of **Equation Builder**.
