

DBD

DISCOVER • BUSINESS • DESIGN

Discover Business Design is a 12 week program specifically designed for high school aged students. It is foundational in give aspiring entrepreneurs a hands on, start-to-finish business experience. This experience will include establishing a business structure, filling out and reading financial forms, and a true to life small business venture. The highlight of the course comes in the final week when students have the opportunity to present their own business venture to the Investor League!

Visit
DiscoverBusinessDesign.com
to sign up your student

Program cost is \$197, and includes:

- Access to Discover Business Design app
- Weekly teaching video,
- 1 hour weekly zoom call
- Private Facebook group where questions can be answered during the week

First Session begins September 18, 2020!

Treva Hershey, DBD Owner/Educator
